MEDICAL ASSISTANCE ADMINISTRATION
Olympia, Washington**

To: Blood Banks
Managed Care Plans

Memorandum No: 04-31
Issued: June 10, 2004

From: Douglas Porter, Assistant Secretary
Medical Assistance Administration (MAA)

For Information Call:
1-800-562-6188

Supersedes: 03-26 MAA

Subject: Blood Bank Services: Fee Schedule Changes

Effective for dates of service on and after July 1, 2004, the Medical Assistance Administration (MAA) will implement:

- The updated Medicare Physician Fee Schedule Data Base (MPFSDB) Year 2004 relative value units (RVUs);
- The updated Medicare Clinical Laboratory Fee Schedule (MCLFS);
- The Year 2004 additions of Current Procedural Terminology (CPT™) codes; and
- The additions to Healthcare Common Procedure Coding System (HCPCS) Level II codes.

Maximum Allowable Fees

MAA is updating the Blood Bank Services fee schedule with Year 2004 RVUs and clinical laboratory fees. The maximum allowable fees have been adjusted to reflect these changes. The 2004 Washington State Legislature **did not appropriate a vendor rate increase** for the 2005 state fiscal year.

Attached are updated replacement pages 9–17 for MAA's Blood Bank Services Billing Instructions, dated July 1999. To obtain this fee schedule electronically go to MAA's website at <http://maa.dshs.wa.gov> (click on the Provider Publications/Fee Schedules link).

Bill MAA your usual and customary charge.

Fee Schedule

Due to its licensing agreement with the American Medical Association, MAA publishes only the official, brief descriptions of CPT[®] procedure codes. To view the entire description, please refer to your current CPT book.
